Re: Illinois Commerce Commission Docket No. 01-0560

Dear Mr. Haynes:

As you know, I represent MCImetro Access Transmission Services, Inc. in the above-captioned matter.

I recently received an e-mail correspondence from Will Watkins stating that he is no longer associated with New Millennium Telecommunications. That is consistent with what you had told me when we spoke on the phone September 5, 2001.

I am still awaiting information concerning allegations contained in the complaint that was filed on behalf of your company. As you know, Mr. Watkins had agreed to provide information that would allow me to investigate the allegations contained in the complaint that New Millennium filed with the Illinois Commerce Commission in Docket No. 01-0560.

Without the information that Mr. Watkins had promised to provide to me, it is impossible for us to move forward with discussions concerning New Millennium's complaint. Please contact me or have your attorney contact me regarding this matter.

Very truly yours,

Darrell Townsley

Mr. Watkins:

Have you sent anything yet? I have not received anything from you/New Millenium Telecommunications, either via e-mail, Fed Ex or U.S. Mail, along the lines that we had discussed at the prehearing conference on 8/29/01.

Please let me know where things stand.

Thanks
